

Youghioghenny Stipple Glass

Stipple glass offers an ice-like, waxy translucent quality, giving a three-dimensional effect when other colors are streaked through the glass.

Youghioghenny Glass Sheet Size

Most styles approximately 24" x 36".
*Ripple styles available in split sheets only.
(2 pieces approx. 18" x 24" equal 1 sheet.)

Tiffany Reproduction Glass

An authentic Tiffany Reproduction opalescent glass using special colors and a laborious hand-rolled technique. These three and four color mixes use a specially formulated opal, surface hazing and the waxy quality normally associated with glass made by Tiffany.
