A Subtle Note from Beckey

Hey Everyone,
Things are a happening here in Grinnell. We are moving to a new location. We will have better parking and a new space. It was time for a change to a site that we can eventually own.

We are going to have some store specials in the month of July to help reduce inventory to make the move easier. Be sure to stop by and get in on the specials.

We understand the rising fuel costs and we want to

make your trip here to be beneficial. So we will be offering FREE \$20 GAS cards on purchases over \$200 of in stock items. We are also offering CASH ON ACCOUNT. Between now and August 1, if you put \$100 down on your account towards future purchases you will get an extra \$20 credit.

Please be aware that metal prices have increased. From Solder to Lead and Zinc. We are trying hard to keep our prices as low as possible for you.

October will be our Customer Appreciation Month look for more details in the next the September-October Newsletter.

Until then we hope you make it in to the shop, if we happen to move sooner we will post it on the website at www.dragonshire.biz

Until later---and keep the band-aids handy.
